You gave up your one-eyed cat, still makes You sad, but I'm allergic  
You gave up trips to the beach, You used to go every week to get some surfing  
You cut back on a daily routine of chocolate ice and three French presses  
You gave up playing solo gigs to sing with me, we sound much better

*PC1: F2 C/E Am7 D7*  
I didn't mind much giving it up, cause I got even more of You

*C1: G D Em7 B7*  
Honey, know I meant it when I said I do. as long as I'm alive I'll fancy You  
*C7 G*  
Our love may not look much like Hollywood's  
*Am7 D Am7 D C C7*  
But I'll love You with all my heart, I'll love You with all my heart

*V2 G D Am D*  
You gave me a diamond ring, on your knee in a puddle  
You gave me your hand and trust, your very love and that was crazy  
You gave me your confidence of faithfulness, when we're old and wrinkled  
You gave me a kiss and a smile, a 'yes, I will be yours'

*PC2 F2 C/E Am7 D7*  
I'll never mind much giving You my love, I'll get even more of You

You said I do so I gave You my heart, I'll stand by You until death says we part
