I've trusted in what I thought would lead me right

I end up exchanging life for that which disappoints

G F2 C2 C2 Am7 A7 Am7(b5)

And I can't seem to shake this tendency, tendency, tendency. will you please?

C1: G B7 C2 D7

Do not follow your heart, if it means you're going to settle when you know there's something better now

G B7 C2 D7

You'll be falling apart, don't you keep holding the lesser when you know it's going to let you down

G B7 Em7 C2

You are leaving your mark, what you want them to remember when you're gone and can't pretend

Am7 Am7(b5) G

Anymore... what you've loved and you've lived for.
