V1: Db Gb
Sometimes love surprises me like raindrops
Db Gb Ab
Taps me on the shoulder, over and again
Db Gb
And I can't go on, got to wait until the rain stops
Db Absus Db
Want to say what's on my heart. I hope I can

C1: Gb Db
O come to me my muse and set me free
Gb Db Absus
Break the chains that bind the words my soul longs to speak
Gb Db Ab/C Bbm
O come to my muse, so softly sweet
Gb Db
My heart longs to speak

V2:
Sometimes love wakes me up like sunlight
I want to tell my lover how I feel
But the words won't come, not a single one, and I'm stuck this time I think
My heart is racing but I'm standing still

C2:
O come to me my muse and set me free
Break the chains that bind the words my soul longs to speak
O come to my muse, so softly sweet
My love longs to speak

B: Bbm Gb
Not just words with little meaning
Bbm Gb
Not a love that will be fleeting
Bbm Eb7 Gb Absus Ab
But with a heart that is repeating words with fruit, words of truth

C3:
O come to me my muse and set me free
Break the chains that bind the words my soul longs to speak
O come to my muse, so softly sweet
My love longs to speak
