V1: G D/F# Em

Sometimes I feel like a failure

C D/F#

There I've said it out loud

G D/F# Em

And I'm so afraid that I will never measure up

C D/F#

To what You want for me, but somehow

C G C G

You keep loving me You keep loving me

V2:

I've been sitting on this porch over an hour

Watching my neighbors live their distant lives

And the birds are singing songs that sound familiar

And I want to join them, but I don't know how

Still You keep loving me; You keep loving me

B: D C G

And I confess sometimes I think I'm better on my own

C G

I can handle this alone

D

Shows how much I know

D C G

And I can't understand why You still woo my tired heart

C G

Try to fill the vacant parts

D

Guess that's part of who You are

'Cause You keep loving me

You keep loving me

You keep loving me

You keep loving me

V3:

Sometimes I feel like a failure

There I've said it
