Intro: 1 3m 6m 5

V1: 1 3m 6m 5^7

I wish that I could keep you from pain

4 1 5sus4 5

But like a storm, pain will form

3^7 6m

But I'll teach you how to face it

4 5

To be weak, yet strong in grace

V2: I wish that I could keep you from fear

But like the night, fear will rise

So I'll hold till love suffices

To drive far the dark devices and behold

CH1: 4 1

A world that's full of wonder

5 6m

Full of laughter, full of life

4 1

A world that pulls you under

5 6m

With the turning of the tide

4 1 3^7 6m

In everything you do a choice of life or death to choose

4 5

And we will try to show you love

Turn1: 1 3m 6m 5 1 3m 6m 5

V3: I wish that I could keep you from doubt

But like the waves, doubt will rage

So I'll sail with you through troubled seas

Until we find a gentler breeze and behold

CH2: A world so full of wonder...

Turn2: 1 3m 6m 5 6m 3m 4 5

and behold

CH3: A world so full of wonder

Full of laughter, full of life

A world torn asunder

Aching for new light

In everything you do a choice of life or death to choose

6m 5

And we will try to show you love

We will try to show you love
