*Intro:* B D#m G#m F#

*V1:* B D#m G#m F#7

I wish that I could keep you from pain

E B F#sus4 F#

But like a storm, pain will form

D#7 G#m

But I'll teach you how to face it

E F#

To be weak, yet strong in grace

*V2:* I wish that I could keep you from fear

But like the night, fear will rise

So I'll hold till love suffices

To drive far the dark devices and behold

*CH1:* E B

A world that's full of wonder

F# G#m

Full of laughter, full of life

E B

A world that pulls you under

F# G#m

With the turning of the tide

E B D#7 G#m

In everything you do a choice of life or death to choose

E F

And we will try to show you love

*Turn1:* B D#m G#m F# B D#m G#m F#

*V3:* I wish that I could keep you from doubt

But like the waves, doubt will rage

So I'll sail with you through troubled seas

Until we find a gentler breeze and behold

*CH2:* A world so full of wonder...

*Turn2:* B D#m G#m F# G#m D#m E F#  
and behold

*CH3:* A world so full of wonder

Full of laughter, full of life

A world torn asunder

D#7 G#m

Aching for new light

In everything you do a choice of life or death to choose

G#m F#

And we will try to show you love

E F# B D#m G#m F# B

We will try to show you love
