*V1:* Db Bbm Gb Db

Saw a number on the cover page  
Fm7 Gb2 Bbm Absus Ab  
Seas, like thunder, roared and quaked  
Db Bbm Gb Db  
Many suffered, few were saved  
Fm7 Gb2 Bbm Absus  
Beneath the rubble, beneath the waves

*PC1:* Gb2 Gb Bbm Ab

I don't understand

Gb2 Gb Bbm Ab

I don't understand

*C1:* Db Bbm Absus Gb

A thousand die, and that news goes by  
Db Gb Bbm Absus Ab

And I don't think twice, cause' it's not my life

Db Bbm Ab Gb

A thousand die and I do not cry

Db Gb Bbm Absus

Though at times I've tried, it's a hopeless fight

Gb Gbm2(add Eb) [Db Bbm Gb Db] (2x)

I've come to the conclusion, that I can not change myself

*V2:* Children hunger as famines rage

Rising numbers, everyday

So I wonder...can I change?

Feel something, not be okay

*PC2:*

*C2:*

B: Bbm Ab Gb Db

Maybe I should take a flight to see those desolate places

Bbm Ab Gb Db

Maybe try to step inside the minds of all those desperate faces

Bbm Ab Gb Db

Maybe my superficial eyes will finally be opened

Gb Ab

And I will see them as you do,

Bbm Ab

Help me to see them as you do,

Gb Ab

God I need you to break through

Bbm Ab

And help me be love just like you
